**"We want education by which Character is formed,
Strength of mind is increased, the intellect is expanded,
and by which one can stand on one's own feet"**

- Swami Vivekananda.

On behalf of the Management and Staff,
a warm welcome to Everest KenBridge School.

Learning should never be a burden, it should be fun. That is the foundational ideology over which Everest KenBridge School is built. The school strongly believes in making learning all the more fun and enjoyable to our children.

Vision

To achieve preeminent position in School Education in India

Mission

To provide the right opportunity, a conducive environment and quality education for every student to achieve their dreams, irrespective of social, economical and communal status of the student.

To make learning a friendly ordeal by adopting a student-focused pedagogy.

To make every effort to elevate this institution serve as a temple of knowledge.

From the Chairman's Desk

Dear Distinguished Parent,

You have made the right decision to enroll your kid in a school that believes in making learning all the more joyful and nurturing young minds through structured curriculum, range of co-curricular and extra-curricular activities and moulding them into an intelligent, mature, creative and confident adult capable of scripting their own future.

Everest KenBridge School aims to provide the best and most stimulating learning environment possible for the children. By giving emphasis on the quality of teaching using innovative knowledge delivery methods, the school aims to nurture inquisitive minds through structured curriculum and student-focused pedagogy.

We have been making consistent efforts to upgrade our teaching methods, delivery models, lab and technical facilities, learning culture and to make our environment conducive for developing children with outstanding academic, intellectual, physical and emotional capabilities.

Thanks & Regards
A. Thamil Selvan (ATS)
Founder & Chairman

From the Principal's Desk

Revered Parent,

We welcome you into our world at EKBS, an institution that promotes meaningful and joyful learning, a school where Scholastic and Co-Scholastic activities are closely interwoven into Curricular fabric, a home away from home where teacher share relationship on mutual trust, respect, warmth and affection.

Every year we add a new chapter in the history of EKBS with reformation of faith in the potential of our teachers and pursue our goal for excellence. I am very confident that the positive attitude of my teachers will inspire the students to work extra mile and attain their goals. I express my gratitude to parents for responding their unstinted trust in organization and greet them for new session. May all students be brave enough to take and overcome their challenges of life and continue to be on the path of virtuosity in the forthcoming session.

Thank you for your interest and good luck.

Yours Sincerely,

Principal

DAV COLLABORATES WITH EKBS

**COMING TOGETHER IS A BEGINNING
KEEPING TOGETHER IS PROGRESS
WORKING TOGETHER IS SUCCESS**

Education is a powerful tool that gives light to lift generations for a lifetime. Gone are the days when studies were a preference for some. Not anymore, because learning and education should be a priority in everybody's minds.

In terms of advancement, the schools in urban places are said to fare better in terms of coaching and mentoring kids, which is true to an extent. And not completely though. Chennai continues to remain the top sought-after place for pursuing education and many families flock to the city to deliver quality education for their children.

What if a prestigious institution that has decades of excellence in education is coming to our town, Mayiladuthurai? Yes, you have heard it right. DAV School is all set to open in our town.

With top-class teachers offering modern learning options for the holistic development of every child, you need not have second thoughts about going to Chennai. Because the same model will now be implemented in Mayiladuthurai.

The teachers are extensively trained by the esteemed minds of the state and were made to undergo workshops to teach better. So, everything that a child residing in Chennai receives for education, will now be available for your child in Mayiladuthurai.

**Let your child's career flourish from here
Let the stars shine from here
Let a fulfilling childhood start from here
We're geared up
Parents, are you ready to start a beautiful journey of
learning and love for your child?**

Academics – KG to Senior Secondary

A proven and intellectually enriching curriculum backed by a wide range of extra-curricular and co-curricular activities defines the starting point of education at Everest KenBridge School.

Pre-Primary Education

Learning, social skills, emotional and physical development, positive relationships and self confidence define the pre-primary learning outcomes at our school.

The School focuses on providing a secure, stimulating and nurturing environment at this level. Teaching is play-based and experiential with free-flow of creative activities involving images, concepts, alphabetical and numerical literacy.

Primary Education

For primary children, the school explicitly focuses on maximizing learning, artistic, athletic and social skills. An emphasis on writing, reading, communication, science, humanities and mathematical skills, students are encouraged to think and find reasons even if it means going beyond text book learning.

Middle School Education

An integrated curriculum and creative teaching techniques define this Middle School education at EKBS. As students progress, there is an increasing emphasis on independent work, small group work, interactive session, quiz, library sessions and whole class discussions are all a regular part of students' classroom experience to instil serious learning habits and academic bent of mind.
